

# PRAY FOR THE PASTOR SEARCH PROCESS

## **PRAY FOR THE PASTOR SEARCH COMMITTEE:**

- Patience. The timing of the process is up to God.
- Humility. That we come to humble agreement for all decisions we make for the benefit of Gayton.
- Discipline. That we stay on task, following through our responsibilities as they are delegated.

## **PRAY FOR OUR NEXT PASTOR:**

- That God will increase the candidate's passion for preaching the Word of God.
- That God will give the candidate a love for our church.
- To begin new relationships in the right way, even during the search process.
- That God will use the candidate's past experiences to guide us into the future.
- That God will give the candidate's family strength as they consider leaving their current position.

## **PRAY FOR THE GAYTON CONGREGATION:**

- Patience. The timing of the process is up to God.
- To place high priority on biblical preaching, that our next pastor will proclaim the Word without apology.
- To let our next pastor stand on their own, not comparing to previous pastors.
- That God's will be done for our church.

BUT THE LORD DIRECTS HIS STEPS.**
